UpToDate is now available free of charge at [insert University name] thanks to a partnership with Better Evidence!

UpToDate is the premier clinical decision support tool authored by 7,100 world-renowned physicians who synthesize the most recent medical information into trusted, evidence-based recommendations.

UpToDate can be accessed by computer, as well as phone or tablet through the mobile app and offline once downloaded.

Visit www.uptodate.com/online to register for an account while connected to the institution's internet network.
