

Acknowledgements & Key Contributors

We are grateful to The Doctors Company Foundation for supporting this project.

This work was led by a dedicated team of physicians, project managers and design & technology experts at Ariadne Labs. This team included Alex Hannenberg, MD (Executive Editor), Aubrey Samost-Williams, MD (Managing Editor), Yves Sonnay (Senior Project Manager), and Sarah Payne (Research & Project Coordinator), with the design and technology expertise of Shreyas Srinath, Sam Woodbury, Xenia Zhao and Aryan Tipnis.

The perioperative clinical pharmacists of The American College of Clinical Pharmacy were critical in ensuring drug-related content reflected the most up-to-date guidance and standards.

Authors of Spain's OR cognitive aids, produced by SENSAR (Alcorcón, Spain), provided comprehensive review of our new and revised checklists.

The Ariadne Operating Room Crisis Checklist 2.0 Editorial Review Board served as subject matter experts and were instrumental during content development and revision.
